## 2019 Call for Centenarians

As part of this year's Senior Citizens Month celebration, a Centenarian Recognition event is being planned. A *Centenarian* is any senior citizen who is or will be 100 years of age or older between January 1, 2019 and December 31, 2019. In addition, for purposes of this program, the centenarian's primary residence must be Guam.

To assist the Department of Public Health and Social Services, Division of Senior Citizens in recognizing Centenarians, the public is encouraged to inform a centenarian or the centenarian's family or caregiver about this event and where to access and submit the biographical forms. The biographical form can be obtained from the Division of Senior Citizens located at 130 University Drive, Suite 8, University Castle Mall (near Subway in Mangilao); downloaded via the DPHSS website at [www.dphss.guam.gov](http://www.dphss.guam.gov); or requested via email from [breanna.sablan@dphss.guam.gov](mailto:breanna.sablan@dphss.guam.gov) or [alicia.guiking@dphss.guam.gov](mailto:alicia.guiking@dphss.guam.gov).

The deadline to submit biographical forms to the Division of Senior Citizens is 3:00 p.m., Friday, February 22, 2019. For more information, please contact Breanna Sablan or Alicia Guiking at 735-7415/7421.
